Family Medicine/
Urgent Care Physician

Introduction

Morehead Memorial Hospital is now accepting applications for a board certified family medicine physician for a hospital-owned urgent care center scheduled to open in the summer of 2013. Growth in the area has created the need for an urgent care provider in the hospital’s service area.

Morehead Memorial Hospital’s mission is to provide quality care, with a commitment to patient safety and clinical excellence. Our culture is based on:

• Providing patient-centered care;
• Recruiting and retaining the best talent;
• Collaborating mutually with the Medical Staff;
• Engaging in our health system’s success by holding ourselves personally accountable; and,
• Living the Core Values of Excellence, Compassion, Respect, Teamwork, Innovation, and Stewardship.

Our patients expect compassionate providers who listen to their patients, who spend time with patients and their families, and who are excellent clinicians.

Practice Specifics

Scheduled for opening in the mid to late summer of 2013, the center will be located in Mayodan, NC, (15 minutes west of Eden) and will provide primary and urgent care services to patients in Western Rockingham County who have immediate healthcare needs or who do not have a primary care physician. The center will be open extended hours evenings and on weekends to accommodate patients after work or school. Initially, medical care will be provided by a physician, midlevel provider and a nurse. Additional providers will be added as demand warrants.

Hospital Privileges

The successful candidate would be expected to maintain active staff privileges at Morehead Memorial Hospital and comply with applicable Medical Staff Bylaws.

Specialty Resources

Surgical specialties available at Morehead Memorial Hospital include neurosurgery, OB/GYN, ophthalmology, otolaryngology, orthopedics, podiatry, general surgery, and urology. Medical consultation is available for internal medicine, pediatrics, nephrology, oncology, cardiology, and pulmonology. Hospital-based specialties include anesthesiology, emergency medicine, hospitalists, pathology, and radiology.

The hospital’s Smith-McMichael Cancer provides chemotherapy and radiation therapy on-site.
Several outstanding medical centers are located within 100 miles of Eden. They include the Bowman Gray School of Medicine, Duke University Medical Center and the University of North Carolina Medical School. Each of these centers maintains a medical helicopter service.

**Educational Resources & CME Opportunities**

Morehead Memorial Hospital places a heavy emphasis on continuing medical education and provides many educational resources for its physicians, including on campus CME opportunities and on-line medical database for physicians. The hospital is an active participant in the North Carolina Area Health Education Center system which provides Category 1 lectures to the medical staff twice a month. More extensive educational opportunities are also available through the medical centers in the area.

**Compensation & Benefits**

The compensation package includes a competitive salary utilizing MGMA data, as well as an RVU incentive, health insurance, life insurance, malpractice, 403B retirement plan, voluntary 457B plan, relocation expenses, paid vacation, and CME allowance.

**Candidate Requirements**

Completed United States residency program; Board Certified in family medicine; excellent communication skills and command of the English language. (We are unable to sponsor Visa candidates at this time.)

**About Morehead Memorial Hospital**

Morehead Memorial Hospital is a non-profit corporation licensed for 108 acute care beds. The Hospital has a modern, well-equipped Emergency Department, a Radiology Department housing a 40-slice CT and a 1.5T MRI, a 12-bed LDRP, and all expected ancillary services. In addition to the main hospital facility, Morehead Memorial Hospital owns and operates a skilled nursing facility, a cancer treatment center, medical office buildings, and an outpatient diagnostic facility.

Eden is located in the northern piedmont of North Carolina and enjoys a moderate climate with four definite seasons. It is 30 miles from Greensboro and 45 miles from Winston-Salem. The Blue Ridge Mountains of Virginia are less than one hour northwest and the coast is three hours away. There are several large lakes nearby that offer boating, fishing, and water sports. The rivers offer opportunities for kayaking and canoeing. Located within the community are private and public golf courses and a large, active, and well-outfitted YMCA. Excellent public and private schools are available in Eden and surrounding communities.
